

Inhalation Exposure Core Rates valid from May 1, 2022 to April 30, 2023

Core Services – Pulmonary Testing

Labor rate per hour \$72

Pulmonary Physiologist Labor Rate \$99

Description Composite Rate

Baseline Airway Resistance \$121.37

Airway Responsiveness \$532.39

Allergen Responsiveness \$490.38

Static Lung Mechanics \$239.39

Physiological Monitoring – Aerosol Therapy \$179.37

Late Phase Allergen Responsiveness \$978.52

DLCO \$352.59

Core Services – Inhalation Exposure

Description Composite Rate

General Expenses per exposure hour \$4.13

Chamber Related Expenses per hour \$2.30

Ozone Generation and Monitoring per hour \$9.07

Ponemah Aerosol Inhalation System per animal \$51.08

Filtered Air Room Housing per day \$9.38

Cigarette Smoke Exposure per week \$892.58
