

Inhalation Exposure Core Rates valid from May 1, 2023 to April 30, 2024

Core Services – Pulmonary Testing

Labor rate per hour \$66

Pulmonary Physiologist Labor Rate \$106

Description Composite Rate

Baseline Airway Resistance \$115.92

Airway Responsiveness \$510.04

Allergen Responsiveness \$469.53

Static Lung Mechanics \$228.43

Physiological Monitoring – Aerosol Therapy \$172.42

Late Phase Allergen Responsiveness \$920.17

DLCO \$339.84

Core Services – Inhalation Exposure

Description Composite Rate

General Expenses per exposure hour \$3.94

Chamber Related Expenses per hour \$2.22

Ozone Generation and Monitoring per hour \$9.07

Ponemah Aerosol Inhalation System per animal \$49.87

Filtered Air Room Housing per day \$9.15

Cigarette Smoke Exposure per week \$857.33
